New York, April 22, 1845. Messrs, A. B. & D. Sands: Gentlemen: Feeling it a duty due to you and to the community at large, I send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my anele, which extended half way up to the knee, discharging very offensive matter, itching, burning, and depriving me often of my rest at night, and very I was recommended to use your Sarsaparilla by Mr. James Me-Connell, who had been cured by it, and after using five bottles I was completely cured.

I have delayed sending you this certificate for one year since the cure was effected in order to ascertain with certainty whether it Merchants from the country are respectfully invited to call and was a permanent cure, and it now gives me the greatest pleasure to examine their stock before purchasing elsewhere. 240 Delancy street, New York. The following statement is from a gentleman who is one of the first Druggists in the city of Providence, and from his extensive knowledge of medicines of every kind, and his experience of the effects of Sands' Sarsaparilla, his opinion is one of peculiar value to the afflicted. Sands's Sarsaparilla.-I speak experimentally when I say that this medicine is far more effectual in the cure of chronic or acute theumatism than any other preparation I have ever tested. Having endured extreme suffering at times within the last five years from repeated attacks of inflammatory or acute Rhenmatism, I have recently used Sands' Sarsaparilla with the happiest success; my health is now better than it has been for many months past, my appetite is good, and my strength is rapidly returning. I attribute this healthful change entirely to the use of this potent medicine, Feeling a deep sympathy with those who are afflicted with this inost tormenting and painful complaint, I cannot refrain from earnestly recommending to such the use of this valuable specific. Having the most entire confidence in the medicine and skill of Doctor Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many Druggist and Apotheeary, 40 and 42 WeStminster street, Providence, R.
